

Ayman Mohamed Zakieldin Bilal

Blue Team / Security Engineer

✉ aymanmomdd@gmail.com ☎ +905057737807 📍 UAE, Abu Dhabi 🌐 github.com/aaa1117

SUMMARY

Cybersecurity engineer focused on SIEM engineering, authentication systems, network monitoring, Linux administration, and security automation.

SKILLS

Security

SIEM Architecture
Log Analysis
Threat Detection
Honeypot Development
Authentication & Access Control
Security Monitoring

Tools & Platforms

Kali linux
Parrot os
Manjaro os
Odoon
Setup servers
keycloak

Programming

- Python
- Bash scripting
- Regular Expressions
- API Integration

Networking & Systems

- Linux Administration
- SSH
- TCP/IP
- Log Collection Pipelines

PROJECTS

SIEM System

- Designed and developed an open-source SIEM solution for centralized log monitoring and security event analysis.
- Worked on log collection, event correlation, and security monitoring concepts.
- Focused on improving visibility and threat detection across network infrastructure.

Kafka

- Currently developing a centralized log processing pipeline using Apache Kafka for scalable log ingestion and analysis.
- Working on improving log organization, event visibility, and real-time monitoring workflows.
- Exploring automation and analysis models for efficient security event processing.

Honeypot

a honeypot for hackers inside of the network

PROFESSIONAL EXPERIENCE

Junior Software Developer Intern

- Assisted in Linux server administration and infrastructure troubleshooting.
- Worked with Odoon-based systems and backend integrations.
- Supported authentication and access management workflows.
- Participated in technical problem-solving and deployment-related tasks.
- Collaborated with development teams to improve system functionality and operational workflows.

09/2025 – 07/2026
Turkey, Ankara

- Gained hands-on experience with infrastructure management, networking concepts, and system support.

EDUCATION

Software Engineer

09/2022 – 07/2026
Turkey , Ankara

Graduated from Ostim Technical University with a Bachelor's degree in Software Engineering.
